What your child practised

- Counting big groups quickly by making **tens**: 3 tens and 7 ones is 37, and 37 = 30 + 7.
- Counting by tens to 100, and seeing that 10 tens make 100.
- Comparing two numbers (look at the tens first, then the ones) and making the biggest number from two digits.
- Order words (first, second, third), and numbers used as names (bus numbers, dates).
